INTERNATIONAL CONFERENCE

Third Edition

2026

2026 Jan 30 FRIDAY

31 SATURDAY

ACCREDITED WITH A++ by NAAC

MES KALLADI COLLEGE MANNARKKAD

Accredited by NAAC with A++ Grade (CGPA 3.51)
Palakkad District, Kerala - 678583, India

MES Kalladi College (Autonomous), Mannarkkad, initiated the MESKCON conference series under its Internal Quality Assurance Cell and Research and Development Cell to provide a platform for the interdisciplinary exchange of ideas among researchers, academicians, and students across the globe. Over the years, MESKCON has embraced diverse themes: the 2024 edition highlighted "Explore, Engage, Evolve– Navigating the Future" with a focus on interdisciplinary research, while the 2025 edition centred on "Innovative Materials for a Sustainable Future." This year, the conference theme is "Bridging Knowledge for a Smarter, Sustainable and Inclusive World." The theme aligns closely with the core values and institutional mission of MES Kalladi College—particularly its commitment to social responsibility, inclusivity, environmental stewardship, and holistic development. The previous editions of the conference successfully fostered cross-disciplinary collaboration and facilitated rich knowledge exchange, enabling participants from diverse fields to engage with and learn from one another's perspectives.

Conference Chair: Dr. C. Rajesh (Principal)
Coordinator: Dr. Nasiya VK (Department of Economics)
Joint Coordinators: Dr. Muhammed Rafi P (Department of Commerce)
Dr. Hamzathali AP (Department of Arabic)
Dr. Julia AP (Department of Chemistry)
